公司简介
COMPANY PROFILE

Xiamen CHAMPION FMCG Eco Packaging Co., Ltd. is the export and supply chain management company for a dedicated paper-based foodservice packaging manufacturing base in Changtai, Zhangzhou, Fujian, close to Xiamen Port. Our role is to act as the single commercial, export and supply-chain interface between the manufacturing base and international customers. Our team has over 10 years of experience in the foodservice packaging industry.

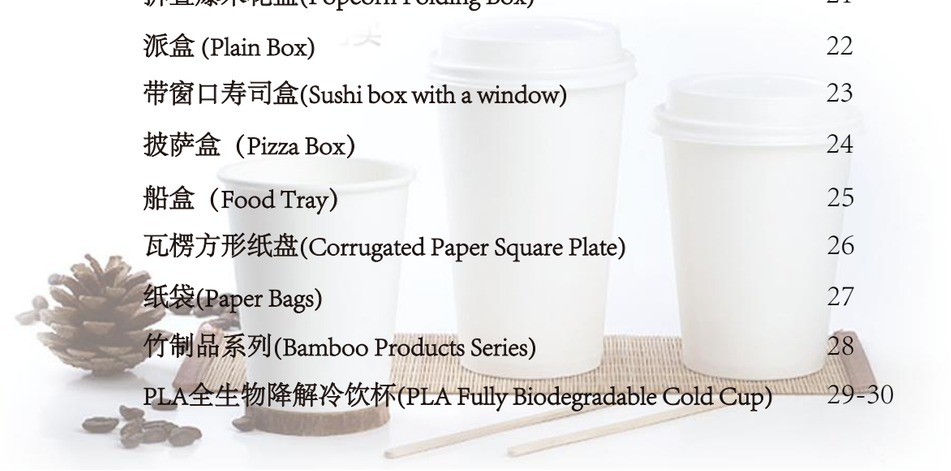

The manufacturing base was established in 2012 with an investment of RMB 80 million. It covers 73,000 m^2 of land with 50,000 m^2 of built floor area and employs more than 300 people. It specializes in food packaging materials, food-grade paper containers and plastic packaging containers. Its certifications include QS production license, ISO 9001, BRC, FSC, SWA and GMP. Our team coordinates customer audits, certification documentation and export compliance, so customers can rely on one accountable partner from inquiry to shipment.

We supply a broad range of paper-based foodservice packaging, including disposable plates, cups and cutlery, food-to-go packaging, catering supplies and customized packaging solutions. We also support sustainable options such as biodegradable plastics and other environmentally responsible materials. Quality control is managed against customer specifications, and we work closely with the base’s technical and production teams to ensure consistent quality, reliable delivery and continuous improvement.

The manufacturing base has served leading domestic and international brands in the foodservice, retail and consumer sectors, with products exported across Asia, Europe, Oceania, North and South America. Specific customer references can be shared where appropriate and subject to confidentiality. By combining manufacturing-base access with professional export and supply chain management, we help customers reduce coordination risk, shorten communication chains and sec
